

## **Delaware Investments press statement – portfolio management change**

November 7, 2014 – Thomas Chow recently resigned to pursue other opportunities. His last day managing money at Delaware Investments is November 7, 2014.

We believe that the structure and depth of Delaware Investments' fixed income team is designed to manage natural turnover. The 85 fixed income investment professionals across the team manage more than \$130 billion (as of 9/30/14). The portfolio managers on the team average 27 years experience.
