

**FOR IMMEDIATE RELEASE**

**DELAWARE INVESTMENTS® DIVIDEND AND INCOME FUND, INC.  
ANNOUNCES CHANGE TO PORTFOLIO MANAGEMENT TEAM**

**PHILADELPHIA, October 12, 2016** — Today, Delaware Investments Dividend and Income Fund, Inc. (NYSE: DDF) (the "Fund") announced that after the departure of one member of its portfolio management team, the team will now consist of Babak Zenouzi, Damon J. Andres, D. Tysen Nutt Jr., Robert A. Vogel Jr., Nikhil G. Lalvani, Kristen E. Bartholdson, Wayne A. Anglace, Roger A. Early, Paul A. Matlack, Craig C. Dembek, John P. McCarthy, and Adam H. Brown, effective October 12, 2016.

The Fund is a diversified closed-end fund. The primary investment objective is to seek high current income; capital appreciation is a secondary objective. The Fund seeks to achieve its objectives by investing, under normal circumstances, at least 65% of its total assets in income-generating equity securities, including dividend-paying common stocks, convertible securities, preferred stocks, and other equity-related securities. Up to 35% of the Fund's total assets may be invested in nonconvertible debt securities consisting primarily of high yield, high risk corporate bonds.

In addition, the Fund uses leveraging techniques in an attempt to obtain a higher return for the Fund. There is no assurance that the Fund will achieve its investment objectives.

The Fund has implemented a managed distribution policy. Under the policy, the Fund is managed with a goal of generating as much of the distribution as possible from net investment income and short-term capital gains. The balance of the distribution will then come from long-term capital gains to the extent permitted, and if necessary, a return of capital.
