

Delaware Investments raises \$205,778 for Puentes de Salud in charity golf tournament

10-year tally tops \$1.7 million in donations to local organizations

PHILADELPHIA, Oct. 14, 2014 — Yesterday, Delaware Investments raised \$205,778 in its annual charity golf outing, the Delaware Investments[®] Charity Classic X. This year's beneficiary is Puentes de Salud, an organization that promotes the health and wellness of South Philadelphia's Latino immigrant population, through high-quality healthcare and education programs. Funds raised include a matching donation of \$100,000* from the Macquarie Group Foundation.

Specifically, the donation will help fund the organization's new 6,500-square-foot community health and wellness center, right in Center City Philadelphia. The new facility will allow Puentes de Salud to centralize and expand its health and education programs. Last year, the organization provided direct clinical services to more than 4,000 patients. In the new space, they hope to see about 10,000 patients annually.

This year marks the Delaware Investments Charity Classic's 10th year. Since its launch in 2005, the event has raised more than \$1.7 million for Philadelphia-area nonprofit organizations. Sponsors that have supported the tournament for all 10 years include Stradley Ronon Stevens and Young, LLP, Bank of New York Mellon, and Brandywine Global.
