

## DELAWARE FUNDS<sup>SM</sup> BY MACQUARIE

### AUDIT COMMITTEE CHARTER

#### 1. Audit Committee Composition.

- (a) The Audit Committee shall be composed of not fewer than three Directors/Trustees selected by the Board of Directors/Trustees (the “Board”) of the Delaware Funds<sup>sm</sup> by Macquarie (each a “Fund” and, collectively, the “Funds”), each of whom shall be independent as defined in Rule 10A-3(b) under the Securities Exchange Act of 1934, as amended, and the listing standards of any national securities exchange on which any Fund is listed.
- (b) Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. At least one member of the Audit Committee shall be an “audit committee financial expert” as such term is defined in Securities and Exchange Commission (“SEC”) Form N-CSR.
- (c) One member of the Audit Committee shall be designated by the Board as Chairperson. The Chairperson and members of the Audit Committee shall have one-year terms, renewable for a maximum of six terms. The Chairperson and members of the Audit Committee shall receive such compensation for their service on the Audit Committee as the Board may determine from time to time.

#### 2. Role of the Audit Committee. The function of the Audit Committee is to provide oversight with respect to the preparation and audit of the Funds’ financial statements. The Audit Committee shall watch closely, maintain surveillance, review carefully and make appropriate suggestions regarding its oversight with respect to the preparation and audit of the Funds’ financial statements; it is management’s responsibility to create, direct, manage and maintain appropriate processes, procedures, and systems for accounting and internal control and for the preparation, presentation and integrity of the Funds’ financial statements; and it is the independent auditors’ responsibility to plan and carry out a proper audit of the Funds’ financial statements. The independent auditors for each of the Funds shall report directly to, and are ultimately accountable to, the Audit Committee. The Audit Committee shall select, evaluate, oversee the work of and, when appropriate, replace the independent auditors.

Although the Audit Committee is expected to take a detached and questioning approach to the matters that come before it, the review of a Fund’s financial statements by the Audit Committee is not an audit, nor does the Audit Committee’s review substitute for the responsibilities of the Funds’ management for preparing, or of the independent auditors for auditing, such financial statements. Members of the Audit Committee are not full-time employees of the Funds and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty

or responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures.

In discharging his or her duties, each member of the Audit Committee may rely on the accuracy of information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by (a) one or more officers of the Funds whom such member reasonably believes to be reliable and competent in the matters presented; (b) legal counsel, public accountants, or other persons as to matters which such member reasonably believes are within the person’s professional expertise; or (c) a Board committee of which such member is not a member.

3. Purposes. The purposes of the Audit Committee are to assist the Board in its oversight of (a) the quality and integrity of the Funds’ financial statements and the independent audit thereof; (b) the independent auditors’ qualifications and independence; (c) the performance of the Funds’ independent auditors; and (d) the Funds’ compliance with relevant legal and regulatory requirements that relate to the Funds’ accounting and financial reporting, internal control over financial reporting and independent audits. The Audit Committee shall prepare as applicable, or approve the preparation of, an audit committee report as required by the SEC to be included in the Funds’ proxy statements. The Audit Committee shall discharge its fiduciary responsibility with respect to evidence of any material violation of federal or state law or breach of fiduciary duty impacting any Fund that is brought to the attention of the Audit Committee pursuant to applicable regulations. The Audit Committee shall monitor the Funds’ accounting and financial reporting policies and practices, their internal controls over financial reporting and, as appropriate, inquire into the internal controls over financial reporting of certain service providers. The Audit Committee shall monitor the Funds’ safeguards with respect to both inflow and outflow of funds and the integrity of computer systems relating to financial reporting. In addition, the Audit Committee shall act as a liaison between the Funds’ independent auditors and the Board.

4. Duties and Powers. To carry out its purposes, the Audit Committee shall have the following duties and powers:

- (a) To select, retain or terminate the independent auditors and, in connection therewith, annually to receive, evaluate and discuss with the independent auditors a formal written report from them setting forth all audit, review or attest engagements, as well as all non-audit engagements and other relationships, if any, with the Funds, Delaware Management Company (the “Investment Manager”) and any entity in the Funds’ “investment company complex,” as defined in Reg. S-X Rule 2-01(f)(14) (such entity to be referred to as a “Complex Entity”), which shall include specific representations as to the independent auditors’ objectivity and independence;
- (b) To review and approve, in advance, to the extent required by applicable law: (i) all audit services and all permissible non-audit services to be performed by the independent auditors for the Funds, including the related fees and terms of such engagements; and (ii) all non-audit services to be provided by the independent

auditors to the Investment Manager and any entity controlling, controlled by, or under common control with the Investment Manager that provides ongoing services to the Funds (such an affiliate to be referred to as a “Control Affiliate”) where, in the opinion of the Audit Committee, the nature of such non-audit services has (or reasonably could have) a direct impact on the operations or financial reporting of the Funds;

- (c) In connection with any pre-approval to perform for the Funds (or any preapproval to perform for a Control Affiliate required pursuant to Paragraph 4(b) hereof) any permissible tax service by the independent auditors, to (A) receive in writing a description of (1) the scope of the service, the fee structure for the engagement, and any side letter or other amendment to the engagement letter, or any other agreement (whether oral, written or otherwise) between the independent auditors and the Funds and/or Control Affiliate relating to such service, (2) any compensation arrangement or other agreement, between the independent auditor (or affiliate of the auditor) and any person (other than the Funds or the Control Affiliate) with respect to the promoting, marketing, or recommending of a transaction covered by such service, and (B) discuss with the independent auditors the potential effects of such service on the independence of the independent auditors.
- (d) To establish pre-approval policies and procedures for the engagement of independent auditors to provide audit and permissible non-audit services; and to delegate to one or more members of the Audit Committee the authority to grant pre-approvals;
- (e) To meet with the independent auditors and management, including private meetings with each as necessary, (i) to review and discuss the arrangements for and scope of the annual audit and any special audits of each of the Funds; (ii) to discuss any matters of concern relating to the Funds’ financial statements, including any adjustments to such statements recommended by the independent auditors, or other results of said audit(s); (iii) to consider the independent auditors’ comments with respect to the Funds’ financial policies, procedures, internal accounting controls and any audit problems or difficulties, and in each case management’s responses thereto; (iv) to review and discuss the form of opinion the independent auditors propose to render with respect to the Funds’ financial statements; and (v) in the case of exchange-listed closed-end Funds only, (A) to discuss each such Fund’s unaudited semi-annual financial statements with management, (B) to review and discuss each such Fund’s annual audited financial statements and management’s discussion of fund performance, if applicable, with the independent auditors and management, (C) to receive the written disclosures and the letter from the independent auditors regarding their independence that are required by Item 407(d)(3) of Regulation S-K, (D) to discuss the clarity and completeness of the Fund’s accounting principles and disclosures, and (E) based on such review and discussions, make a recommendation to the Board on including such audited financial statements in the Fund’s annual report to shareholders;

- (f) To review and discuss any and all reports from the independent auditors as required by generally accepted accounting standards, as well as annually and by update as required by Regulation S-X regarding: (i) critical accounting policies and practices used by any Fund, including any proposed changes in accounting principles or practices proposed by management or the independent auditors with respect to any Fund, (ii) alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, (iii) the risks of using any such alternative treatments or disclosures, (iv) the treatment preferred by the independent auditors, (v) material written communications between management and the independent auditors, including any management letter or schedule of unadjusted differences and any internal control observations and recommendations, and (vi) all non-audit services provided by the independent auditors to any Complex Entity that were not subject to the pre-approval requirement set forth above in Paragraph 4(b) hereof (in connection with the Audit Committee's consideration of the auditors' independence);
- (g) To review and discuss the process of issuing dividend-related and other press releases including financial information, as well as the Funds' policies for providing financial information to analysts and ratings agencies;
- (h) To discuss with management the Funds' guidelines and policies with respect to risk assessment and risk management, including the Funds' major financial risk exposures and the steps management has taken to monitor and control such risks;

- (j) To establish procedures, take actions and perform all duties necessary for (i) the receipt, retention and treatment of complaints received by the Funds regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submission by employees of the Funds and their service providers of concerns regarding questionable accounting or auditing matters;
- (k) To obtain and review not less often than annually a report by the independent auditors describing: (i) the independent auditors' internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control or peer review of the firm or any inquiry or investigation by governmental or professional authorities within the preceding five years respecting any audits carried out by the independent auditors, and any steps taken to deal with any such issues; and (iii) all relationships between the independent auditors and the Funds, as well as the Funds' Investment Manager or any Complex Entity;
