

FOR IMMEDIATE RELEASE

Dividend Declaration:

DELAWARE INVESTMENTS® DIVIDEND AND INCOME FUND, INC. ANNOUNCES DIVIDENDS

PHILADELPHIA, November 2, 2009 — Today, Delaware Investments Dividend and Income Fund, Inc. (the “Fund”), a New York Stock Exchange-listed closed-end fund trading under the symbol “DDF,” declares a monthly dividend of \$0.0575 per share. This dividend is payable November 27, 2009, to shareholders of record at the close of business on November 13, 2009. The ex-dividend date will be November 10, 2009.

The Fund is a diversified closed-end fund. The primary investment objective is to seek high current income; capital appreciation is a secondary objective. The Fund seeks to achieve its objectives by investing, under normal circumstances, at least 65% of its total assets in income-generating equity securities, including dividend-paying common stocks, convertible securities, preferred stocks, and other equity-related securities. Up to 35% of the Fund’s total assets may be invested in nonconvertible debt securities consisting primarily of high yield, high risk corporate bonds. In addition, the Fund utilizes leveraging techniques in an attempt to obtain a higher return for the Fund. There is no assurance that the Fund will achieve its investment objectives.

The Fund has implemented a managed distribution policy. Under the policy, the Fund is managed with a goal of generating as much of the distribution as possible from net investment income and short-term capital gains. The balance of the distribution will then come from long-term capital gains to the extent permitted and, if necessary, a return of capital.

On August 18, 2009, Lincoln National Corporation and Macquarie Group (“Macquarie”) entered into an agreement pursuant to which Delaware Investments, including Delaware Management Company, investment adviser to Delaware Investments Dividend and Income Fund, Inc., will be acquired by Macquarie, an Australia-based global provider of banking, financial, advisory, investment and funds management services. The transaction is expected to close on or around December 31, 2009, subject to regulatory approvals and other customary closing conditions.

About Delaware Investments:

Delaware Investments, an affiliate of Lincoln Financial Group, is a Philadelphia-based diversified asset management firm with more than \$135 billion in assets under management as of September 30, 2009. Through a broad range of managed accounts and portfolios, mutual funds, retirement accounts, sub-advised funds and other investment products, Delaware Investments provides investment services to individual investors and to institutional investors such as private and public pension funds, foundations, and endowment funds. Delaware Investments is the marketing name for Delaware Management Holdings, Inc. and its subsidiaries.
