

Delaware Investments hires regional director in Ohio / Northern Kentucky

PHILADELPHIA, July 15, 2015 — Shane Coley recently joined Delaware Investments as regional director, responsible for the distribution of Delaware Investments® mutual funds and separately managed accounts in Ohio and Northern Kentucky. His focus is on the wirehouse channel, and primarily financial advisors at Morgan Stanley, Merrill Lynch, Wells Fargo, and UBS. He reports to Craig Capretta, central division manager for the firm’s retail distribution group.

Coley comes to Delaware Investments from Eagle Asset Management, where he had been regional vice president since 2013, responsible for mutual funds and managed account sales in Ohio and Pennsylvania. Prior to that, he worked at Raymond James Financial in a compliance capacity for five years.

“We’re excited to welcome Shane to the team,” said Capretta. “His experience as a wholesaler in this market, coupled with his knowledge of the business, specifically from a compliance perspective, makes him a great asset.”
